Foreign Exchange Worksheet - Q5 \& Q6

5. You are planning a trip around the world and have mapped out the countries that you would like to visit as well as examples of the items that you intend to buy. You need to know how much this trip will cost you in euro so that you can budget the amount of money that you will need.
Examine the accompanying map and complete the table below. Don't forget that you must show your workings for each calculation.

| Item | Country | Currency \& Symbol | Exchange Rate | Euro Conversion |
| :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

| Item | Country |  <br> Symbol | Exchange Rate | Euro Conversion |
| :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

6. Calculate the total cost of the round the world trip. Show your workings.
